5. Updated on the advances in important aspects of Urological Oncology.
6. Able to evaluate patients with LUTS and initiate medical therapy appropriately.
7. Basic understanding of erectile dysfunction and its important as a harbinger to cardiovascular diseases.

OBJECTIVE

PREFACE FROM HEAD OF DEPARTMENT & SR CONSULTANT UROLOGIST.

Dr Teh Guan Chou

Dear Friends and colleagues,

It gives me a great pleasure to invite you to participate in the Borneo Urology Update 2016, which will be held on 23th April 2016 at Auditorium PJHUS, Kota Samarahan.

The objective of this mini symposium is to bring the latest advances in urology that matter the most to the general practitioner and young doctors. The content will be practical and relevant to young Medical Officer.

I hope we can work together to provide the best possible care for our patients with urological problems.

The organizing committee has gathered a panel of experts to share their knowledge and expertise. This will be an excellent platform for young doctors to acquire new knowledge and develop interest in the ever changing and exciting field of Urology.

I am looking forward to seeing you in this exciting meeting.

Sincerely,

Dr. Teh Guan Chou
Consultant Urologist
